Attention Steve Kline,

In all that was going on I wasn't sure if I ever sent a "Thank You" to News 4 Troubleshooters and Steve Kline for the awesome job they did in getting the lot next to my home cleared. I'm pleased to say there have been no more accidents here for some time now. There are discourteous people driving across this no thru street and cutting across our grass as a shortcut to their home which is frustrating in itself but is a small price to pay considering the danger and the eyesore that was once there has been removed. We thank you from the bottom of our hearts. Keep up the good work! Please see that Steve gets this msg thanks.

If you need to contact me for any reason my work number is 210 406 4965
and my home phone is 210 633 9660

Thanks Again Sincerely,

Dear Mr. Perry:

Thank you for your pledge of \$400 through Mr. Albert De La Garza, Jr. indicating you will attend and buy in support of the 2004 Livestock Auction of top placing animals. Your willingness to participate in this worthwhile cause will help to make this year's sale even greater than the 2003 sale which totaled over \$2,700,000.

Every February 10,000 young exhibitors representing over 1200 4H clubs and FFA chapters from around Texas converge on San Antonio with their animals for the annual San Antonio Livestock Show. On Friday, February 20, 2004 the top placing live poultry and goats will be sold followed by the top placing lambs. Saturday, February 21, 2004 the top placing steers and barrows will be sold.

The money which the Auction Committee raises is used to create a market to purchase these animals. For many, the money raised from the sale of their animal will go towards the purchase of another animal for next year's show. For others, the profits will go towards a college education. Whatever the purpose, premiums paid for top livestock are the motivating factor that keep thousands of young men and women interested in the agricultural business of our nation.

Again, thank you for supporting these young people of Texas by donating to our Committee.

Very truly yours,

Cindy Dawson, Chairman
Auction Committee

Dear Amparo,

Thank you for your kind response to UNAM-EPESA's English Department's interest in a student excursion to the station.

I and possibly another faculty sponsor, would like to accompany a group of between 10 and 25 adult students on a **station tour** on **FRIDAY, APRIL 4**. We plan to get there **by 11:45 a.m.** and stay as long as is convenient for you. The tour ideally should be in clear, slow, bilingual-sensitive English --Amparo, you would be ideal.

These students are mostly Mexican nationals immersed in our intensive English program. We provide these Friday excursions to give them access to points of cultural interest in San Antonio. Besides the intrinsic fascination of a television station, with all its journalistic and technical glamour, Channel 41 also offers an example of a high-visibility, truly bilingual community resource --an example, possibly, of the business future of the United States.

As you may expect, our students are looking forward to a brief look at the production aspects of life at Channel 41: news, weather, sports, and your highly successful commercials production. They are fascinated by the "green screen," as you can imagine, if a quick demonstration of that technology can be included?

Thank you, Amparo, for your generosity, your time, your good will. Our students look forward to a wonderful experience.

Sincerely,

Dear Amparo,

We greatly appreciate Univision's intent to provide valuable in-kind promotional and production assistance for our In My Family exhibit. When you and I first discussed the project last January, you offered to arrange for taping of interviews with Carmen L. Garza in San Francisco, if necessary. Based on this, we have incorporated audio and video segments into the design of the exhibit as a way for the artist and her words to become essential elements of the visitors' experience. We are finalizing our spring production calendar now and hope that you can put us in contact with the appropriate Univision resources to complete these critically important elements of the exhibit.

Attached is a detailed production list of 10 short audio and video segments that will be incorporated into exhibit components. Ms. Garza has agreed to participate and is most available during February or March. Please advise if you need additional information and how we can proceed to confirm a production schedule with the artist in her studio.

I am also putting in the mail to you a packet with more information about sponsorship of the exhibit. We believe that the July opening of the exhibit could provide Univision's new affiliate with a very positive, highly visible market entry. I have put in a call to arrange to meet News Director Gustavo Monsante and welcome the new station to Austin!

We are looking forward to working with you and other Univision staff to bring the excitement of Carmen Garza's work to Central Texas families in a completely unique format. Thank you again!

Apreciable Amparo--

Antes de todo deseo saludarle. Despues paso a pedirle que si no me hace el favor de darme algo de tiempo en su programa para decirle al publico acerca del programa que yo represento. Se llama Senior Companion Program. Es un programa patrocinado por el gobierno Federal y localmente por la agencia Christian Senior Center, que tambien patrocina Meals on Wheels o Alimentos ambulantes.

Senior Companion Program ha servido a muchas personas mayores de edad de San Antonio por mas de 8 años. Ofrecemos compañerismo, amistad, y asistencia a personas que se encuentren en un estado de soledad, aislados de la comunidad por falta de salud o transportacion o coneccion con otras personas. No se cobra nada al cliente. El Gobierno les otorga un pequeno estipendio al Compañero por las horas que ofrecen al programa. En fin, es un programa que debe de interesar a muchas personas. Si me permite elaborar mas, le agradezco me llame y me diga cuando

seria una fecha que podria concurrir mutuamente con nuestro horario. Muchas gracias --- Maria Hurtado - Directora

I need your help!

Thanks to the incredible support we have received in San Antonio, the Sports Foundation has been instrumental in establishing San Antonio as the amateur sports center of the Americas, introducing area youth to Olympic sports and generating more than \$200 million dollars in positive economic impact for our city.

More importantly, the Sports Foundation's Dreams for Youth program, which provides training in six Olympic sports, has touched more than 90,000 children in San Antonio since 1993. Every year, 4,000 primarily disadvantaged children experience the many benefits of sport through Dreams for Youth, including improved school attendance, grades and attitudes. This year, we began a nineteen (19) week walking program for 110,000 K thru 5th graders—our efforts to fight childhood obesity.

Please help us to continue to grow in 2004 by joining our team. I would consider it a **HUGE** favor. It is even a tax deduction...just in time!

Sincerely,

Susan

Dear Steve and Amparo,

Celebrate San Antonio 2002, welcoming the year 2003, was a tremendous success. Many responsible San Antonians joined us for a night of good food, family fun, and great entertainment. The official count was 200,000, breaking all attendance records for the previous year's celebrations.

We are so grateful to all our sponsors who made the event possible through their underwriting. We appreciate Univision/KWEX serving as the International Stage Sponsor with Budweiser as co-sponsor. This generous in-kind donation was of great help in our being able to present our New Year's Eve spectacular to the citizens of San Antonio. We thank you so much.

At this time we would like to request that KEWX consider renewing its 2003 sponsorships of the following events:

- July 4th Celebration – Official Spanish speaking TV sponsor with in-kind donation of media coverage;
- Jazz'SAlive 2003 – the 20th Anniversary - Official Spanish speaking TV sponsor with in-kind donation of media coverage; and
- Celebrate San Antonio - International Stage Sponsor with Budweiser as co-sponsor with in-kind donation of media coverage.

The support of Univision/KWEX would mean a great deal to us, and ensure the continued success of all of our events in 2003. We look forward to hearing from you soon.

Dear Ms. Ortiz,

On behalf of Southwest Voter Registration Education Project (SVREP) I would like to thank you for your continued support and commitment as a member of SVREP's 2002 Major Donors Council. Your collaboration has been instrumental in ensuring that our vital work is sustained and SVREP invites you to continue your tax-deductible support as we prepare to continue this work in 2003 and beyond

For the last three decades SVREP has been at the forefront of educating and mobilizing the Latino community about their democratic right to register to vote. As a non-profit, non-partisan, minority voter participation organization SVREP is the oldest and largest organization of its kind in the United States. *With support like yours, the Latino Vote 2002 campaign was a great success in our endeavor to increase voter participation as nearly 20,000 new voters were registered in 38 voter registration education projects in 8 states. Get-out-the-vote (GOTV) efforts culminated in 272,760 calls and visits that contacted nearly 119,751 Latino voters and turned out 58.5% of them (70,114) to vote.*

You can ensure that SVREP's work is continued in a variety of ways. Please see the enclosed response form for more information regarding avenues for your partnership. Once again, thank you for your continued support of SVREP. In the words of SVREP founder William C. Velásquez, "Su Voto Es Su Voz" (Your Vote Is Your Voice). Please support SVREP today to continue in the very important work of non-partisan voter registration and voter education campaigns.

Estimada Amparo:

Sólo unas cortas líneas para agradecerle de todo corazón su generosa ayuda durante la actividad del Día de Reyes auspiciada por la Sociedad Herencia Puertorriqueña en el Guadalupe Cultural Arts Center el 5 de enero de los corrientes.

Llevamos tres años presentando esta actividad en el Guadalupe y siempre hemos gozado de mucho éxito en cuanto a la asistencia se refiere. Pero este año se rompieron todas las proyecciones que habíamos hecho. Puedo decir sin temor a equivocarme que este año tuvimos una asistencia que sobrepasó el doble de la asistencia de años anteriores. No nos queda duda de que la gentileza suya y de Univisión en proporcionarnos todos los anuncios televisivos fue la razón del éxito obtenido.

Usted sabe, Amparo, que el propósito primordial de nuestra organización es presentar eventos donde destacamos nuestra cultura puertorriqueña. Nuestra contribución sería mínima si no contáramos con el apoyo que Univisión y usted siempre nos brindan. Muchas gracias.

Sinceramente,

Dear Amparo,

Please accept my sincere apologies for our failure to bring the Israel@Heart student for the interview yesterday morning to your studios. I know that you had a crew and a studio set up for the interview. We had a wonderful Spanish speaking volunteer here ready to drive the young woman to your office, but she did not make it to our offices.

Although two representatives of the Israel@Heart program told me that she was fluent in Spanish, I now suspect that the information was inaccurate.

In the three years that I have had this wonderful job as Community Relations Director of the Jewish Federation, yesterday was one of my lowest points. I would not wish to disappoint you under any circumstances as I have great respect for the work you have done at Univision over the years. I regret to have let you down.

Sincerely,

Judy Lackritz

Subject: PSA on activities for immigrants

Hola Amparo,

Primero que todo quiero agradecerte informalmente (luego te mando una carta mas formal) por los programas que ofreces a la comunidad; son tan utiles. Mis clientes estan muy contentos de saber que UNIVISION hace programas de esta naturaleza y que incluye a organizaciones como PAPA. Yo he recibido muchos comentarios placenteros de la comunidad.

Tambien quiero reiterar mi interes en organizar la serie de programas que muestran la verdara cara de los asilados y los inmigrantes en central Texas. He ahblado con varias organizaciones y todas estan encantadas de la idea y principalmente con enviar a la comunidad inmigrante y al publico en general esta clase de informacion la cual creemos que promueve un cambio positivo en favor de nuestro queridos clientes en necesidad de una voz.

Mira te mando por ahora la informacion del programs del abogado de turno y la venta de plantas para recoger fondos para los inmigrantes. Si pudieras anunciar estas dos eventos seria fabuloso.

Te agradezco de antemano tu apoyo, este es el comienzo de un acercamiento de la UNIVISION con la comunidad.

Que tengas un buen dia.

Dear Mr. Giust,

On behalf of Communities In Schools of San Antonio, and, more importantly, the children and families we serve, I would like to express our sincere appreciation for your contribution to our "Commitment to Community Through Education" luncheon. It was a truly heartwarming and successful event, highlighting the CIS-SA program and our President, Bill Millikin, as well as recognizing the community partners who have contributed so much to our achievements over the past years. Your sponsorship was greatly appreciated. All of our children benefit from your generosity.

As San Antonio's leading "stay in school" program for youth, CIS-SA is committed to linking community resources for education. Communities In Schools' caring professionals, in 46 schools throughout eight school districts in Bexar County, deliver innovative, comprehensive services which help young people successfully learn, stay in school and prepare for life. CIS programs, including parental involvement, tutoring, mentoring, counseling, and academic enrichment activities, provide reinforcement to families while enhancing a child's educational foundation. Through contributions such as yours, Communities In Schools can make a difference in the lives of children facing obstacles to personal and academic success.

Again, thank you very much for your support which enables Communities In Schools of San Antonio to continue helping kids prepare for life. We look forward to a continuing partnership in the future. Your dedication to our children is very important to our entire agency.

Sincerely yours,

Drew E. Altman, Ph.D.
PRESIDENT AND CHIEF EXECUTIVE OFFICER

Dear Ms. Ortiz,

Thank you very much for your work on the Entérate campaign. Since our launch in December of 2001, Univision has made great strides in educating its audience about sexual health issues, including HIV/AIDS, but our job is not complete. The Centers for Disease Control and Prevention (CDC) estimates that, as many as **one in three people living in the U.S. who are HIV positive don't know it**. Early diagnosis is critical in effective control and treatment of the disease.

Ivelisse Estrada suggested we contact you regarding **National HIV Testing Day on June 27th**. It takes place every June 27th as a way to reach millions of those at risk for HIV and AIDS with a simple message: **"Take the Test, Take Control" / "Hazte la prueba. Toma control."** The goal is to spread the word about the importance of HIV counseling and testing. There will be significant outreach June 20th-27th, and we are pursuing opportunities with Univision both on-air and online.

We would like to encourage you to develop segments for your local public affairs or news programming during the week leading up to Testing Day (June 20th – June 27th) related to the impact of the HIV/AIDS epidemic on Latinos and encouraging HIV testing. Free or low cost HIV Testing is available nationally and promoted through our Entérate campaign hotline: **1-866-TU SALUD** and online at www.Univision.com, **uniclave: Entérate**. Enclosed is information outlining the latest statistics and local contacts.

In addition to programming, we are planning to distribute a :30-second PSA jointly produced with Univision about HIV testing, which will be available at the end of the month and distributed through the network's national feed. More details on the PSA will follow later this month.

The Kaiser Family Foundation is here as a resource for you and your station throughout the year. We are available:

- To connect to local organizations and community events;
- To provide substantive guidance in developing programming content around HIV/AIDS, including access to the most up-to-date research and local experts;
- To supply online consumer content, *rights free*, for affiliate websites;
- To link to viewer resources, including the campaign's toll-free hotline 1-866-TU SALUD and *free* printed materials on HIV/AIDS and other sexual health issues developed exclusively for Univision.

We are excited to work with you again. Please let us know if you are interested and how we can best assist you.
